REPORT OF FOREST FIRE WARDENS

The fire season of 1953 was not a very pretty picture. It started out in fine shape with plenty of rain during the spring months. The month of June was the end of the rains and then a period of dry weather. During June we had quite a few lightning storms without any rains. On June 21 and 22 we had one of these storms that started over 43 fires in this state including the Mt. Shaw fire.

People burning without a permit or burning in unsafe places or at unsafe times were the cause of our largest number of fires. It is hard to believe why people do this when they have the expert advice of their town warden who is as close to them as their telephone. Your town Forest Fire Warden is not going to stop you from burning your rubbish or your old fields, but he wants you to burn in a safe place and at a safe time. You must remember it is unlawful to burn without a permit from your Forest Fire Warden.

We have inherited a tremendous responsibility in the priceless treasure of our natural resources. To keep these natural riches we must guard them from all destructive agents. The foremost among these agents is Fire — man's best servant but worst enemy.

REMEMBER — ONLY YOU CAN PREVENT FOREST FIRES!

Number of fires — 2. Number of acres burned — $1 \frac{1}{10}$.
Number of permits issued — 1.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Brookfield:

During the school year 1952-53 the Churchill School was fortunate to have as its teacher Mrs. Eugenia Hutchins of Wolfeboro. Mrs. Hutchins is a graduate of Plymouth Teachers College and has had several years of teaching experience. She has demonstrated that she is an excellent teacher and has been very cooperative with all concerned with the school.

Early in November, Mrs. Rebecca Sanborn, R.N., of Effingham, began service as the school nurse. Mrs. Sanborn is highly skilled in her profession and has a deep interest in the welfare of the children. Both Mrs. Hutchins and Mrs. Sanborn are continuing on the school staff during the current year.

Through the unremitting efforts of the Mother's Club the school lunch continued to furnish through the year warm, nourishing, balanced noon meals. The amount of assistance from the Federal Government was reduced. Received from this source was \$95.96 and about \$60.00 worth of surplus foods. The appropriation made at the last School District meeting will be of great assistance.

The fine dental program initiated by Mrs. Eva Willey has been continued. It is doubtful if any other school in the state makes available such complete dental care. This is an extremely valuable project and should be encouraged.

During the past summer Mr. William Tarleton and Mr. Charles Witham gave the floor in the school room a thorough cleaning and then applied a bakelite seal, followed by two coats of wax. This is a great improvement over the oil treatment used in the past.

At the annual meeting of the State School Boards' Association held at Laconia during October, Mr. Charles Witham was

the recipient of a plaque in honor of over twenty-five years' service on the school board. The presentation was made at a special ceremony by the State Association in recognition of long and valuable civic service to about a dozen board members from various districts of the state.

The unfailing cooperation of members of the School Board the teacher, nurse, pupils, and citizens is most sincerely appreciated.

Respectfully submitted,

EVERETT H. BRASIER
Superintendent of Schools
